Modal Content:

This is a U.S. General Services Administration Federal Government computer system that is "FOR OFFICIAL USE ONLY." This system is subject to monitoring. Individuals found performing unauthorized activities are subject to disciplinary action including criminal prosecution.

This system contains Personally Identifiable Information (PII) and Controlled Unclassified Information (CUI). Individuals entering data into this system must only enter PII and/or CUI when it is specifically requested. Exposure of PII and/or CUI as a result of an individual inadvertently entering PII and/or CUI into a public data field where it is not required is the sole responsibility of the individual entering the data. Failure to follow these instructions may result in your record being deactivated. Individuals viewing, reproducing or disposing of this information are required to protect it in accordance with 32 CFR Part 2002 and GSA Order CIO 2103.2 CUI Policy.

Warning: Using another person's email address and password to access SAM is strictly prohibited.
